THE SUMMERHILL

With the careful consideration of home

by Woodcliffe

THE SUMMERHILL

The Summerhill is designed with the care reserved for a private home. Situated directly across from the historic North Toronto Station, this boutique residential collection represents a labour of love and a profound respect for place.

- 62 private residences developed by Woodcliffe Landmark Properties
- Directly across from North Toronto Station and Summerhill LCBO
- 32-storey boutique residential tower blending heritage and modern architecture
- Contemporary building façade utilises limestone-style porcelain cladding for enhanced durability and aes- thetic appeal
- High-performance, thermally insulated curtain wall glazing offers enhanced acoustic properties and im- proved energy efficiency, while maximising natural light
- Energy-efficient mechanical and ventilation systems
- Architecture by architectsAlliance
- Interiors by Gluckstein Design
- Landscape by CCxA
- Sales and marketing by Market Vision
- Curated service offering by Charles MacPherson Associates

SERVICES & SECURITY

The Summerhill is supported by an exceptional service ethos that quietly enhances daily life. Highly trained staff discreetly provide thoughtful and anticipatory support, allowing homeowners to enjoy privacy and peace of mind.

- All service staff are hired and trained by Charles MacPherson Associates, widely regarded as the global authority on household and hospitality management
- Porte cochère and 24-hour valet parking for an effortless arrival experience
- Attended lobby with 24-hour dedicated concierge and porter services
- Three elevators, including a dedicated service elevator, ensuring secure and efficient movement
- Secure enterphone system with fob access
- Security cameras throughout common areas
- On-site management office

AMENITY SPACES

Drawing on decades of expertise, the Woodcliffe-curated amenities extend the home's footprint while ensuring these spaces remain relevant and meaningful over time.

- Amenity spaces designed by Gluckstein Design, including an elegant lobby lounge
- Beautifully appointed guest suite available for hosting friends and family
- Landscaped wrap-around terrace with a lushly planted, zen-inspired garden, and a south-facing lounge with cocktail seating
- Library lounge opening onto outdoor amenity terrace
- Private bar and entertaining lounge opening onto outdoor amenity terrace
- Private dining room that can function as a boardroom or meeting space
- Spacious and fully-equipped fitness studio with a glass wall overlooking the amenity terrace
- Dedicated area within the fitness studio for private training
- Steam room and dry sauna

THE RESIDENCES

The residences are an evolution of modern Summerhill living: generous proportions, thoughtful layouts, and the ease of expertly managed service.

- Floor-to-ceiling glass windows with champagne mullions, including corner conditions with reduced structural interruption
- Approximately 10-foot smooth ceilings on floors 7 to 29
- Up to 11-foot smooth ceilings on floors 30 to 32
- Thermally insulated, energy-efficient design for enhanced acoustic performance
- Operable windows in all bedrooms
- Engineered, brushed 5-inch white oak flooring in main living areas
- Gluckstein-designed 9-foot 6-inch solid-core interior doors
- Contemporary 6-inch baseboards with square edge profile
- Recessed LED lighting thoughtfully distributed, approximately one light per 50 square feet
- Capped ceiling outlets in select locations
- Gas BBQ connection, electrical outlet and hose bib on balconies or terraces*
- Terraces and balconies finished with porcelain pavers*
